Mbsmpro is a technical notes and tools platform aimed at refrigeration and applied electronics technicians, bringing together data tables, PDF files,

and concise articles to help you select and operate equipment.

At **MBSM PRO**, we combine technical expertise, innovation, and reliability to deliver professional refrigeration and HVAC solutions for businesses across Tunisia and beyond. As part of **MBSM Group**, we focus on quality equipment, efficient systems, and customer-centered service to ensure optimal performance and long-lasting value.

## **Our Mission**

Our mission is simple — to provide advanced refrigeration and air conditioning products that meet the highest standards of performance, energy efficiency, and durability. We aim to help our clients grow their businesses by offering trusted technologies, personalized support, and expert consultation at every stage.

## **What We Do**

- Supply and distribute professional-grade **refrigeration and HVAC equipment**.
- Offer **technical expertise, installation guidance, and maintenance support**.
- Develop and maintain **digital platforms** that simplify product selection and online purchasing.
- Partner with leading **brands and manufacturers** to guarantee lasting quality and competitive prices.

## **Why Choose Us**

- **Experience:** Over a decade of hands-on industry and web expertise.
- **Quality Assurance:** Every product is tested and approved for reliability.
- **Customer Support:** Our dedicated team ensures fast, transparent communication.
- **Innovation:** We continuously embrace digital tools and smart technologies.

## Our Vision

We aspire to be Tunisia's most trusted name in professional refrigeration and digital innovation — a brand that combines engineering excellence with online convenience. Whether it's a small business or a large industrial client, we believe in building long-term relationships based on trust, performance, and growth.
